2. GH shall act as the Consignor's agent only and not as principal in the sale of the Goods and shall have absolute discretion in determining whether the Goods are suitable for sale; the particular auction sale for the Goods; the date and location of the auction; the manner in which the auction is conducted, including the refusal of any bid and the advancement of bidding; the catalogue descriptions of the Goods and any other matters relating to the sale of the Goods at the auction, including the sale of the Goods individually or in lots combined with other Goods consigned by the Consignor. GH, as agent of the Consignor, is and shall not be responsible for any default by the Consignor or the Buyer.

3. The Consignor will deliver, at the Consignor's expense, the Goods to GH in saleable and presentable condition not less than 7 days prior to the auction (**Live Auctions ONLY**). The Consignor may not withdraw the Goods without the consent of GH. In the event that such consent is given, the Consignor agrees to pay GH any and all damages as well as a fee of 20% based upon the low pre-sale estimate set by GH on the Goods or, if no pre-sale estimate has yet been determined, a charge of 20% of the value of the Goods determined by GH for insurance purposes, together with VAT thereon.

4. GH, with the consent and at the cost of the Consignor, may refurbish the Goods to bring them to presentable condition for the auction, and/or retain the services of an independent expert for authentication, certification or providing a condition report and shall deduct any such costs incurred from the proceeds of sale.

5. The Consignor agrees that the description of the Goods as set out above is the Consignor's responsibility and hereby indemnifies GH and its agents against any loss or harm resulting from the Consignor's mis-description of the Goods. In the event of any mis-description, the Consignor hereby authorizes GH, at its sole discretion and as the Consignor's agent, to refund the purchase price of the mis-described Goods to the buyer and to pay GH as a fee the greater of 20% of the high pre-sale estimate or 20% of the hammer price of the mis-described Goods, together with all expenses and VAT.

6. GH reserves the right to withdraw the Goods at any time prior to the auction if it determines in its sole discretion that:

- [a] There is doubt as to the authenticity of the Goods;
- [b] There is doubt as to the accuracy of the Consignor's representations or warranties herein;
- [c] the Consignor has breached or is about to breach any provision of this agreement; or
- [d] Any other just cause exists.

In the event the Goods are withdrawn pursuant to this clause, the Consignor agrees to pay the charge to GH Provided for in clause 3 above.

7. The Consignor:

[a] warrants that the Consignor has good title and right to sell the Goods and warrants to GH and to the Buyer that the Goods are wholly owned by the Consignor and that they are not subject to any liens;

[b] indemnifies GH, its employees and agents and the Buyer against all claims made or proceedings brought by persons entitled or purporting to be entitled to the Goods or due to any default of the Consignor in complying with any applicable legislation, regulations or requirements;

[c] shall reimburse GH in full and on demand for all payments, costs, expenses or any other loss or damage whatsoever made, incurred or suffered as a result of any and all breaches by the Consignor pursuant to 7 [a] or 7 [b] above.

8. If the Goods are subject to a reserve, the Consignor hereby authorizes GH to sell the Goods below the reserve provided that the proceeds of sale paid by GH to the Consignor is an amount not less than **10%** off the agreed upon reserve amount, less the consignor's commission.

9. The Consignor authorizes GH to deduct from the hammer price the consignor's commission, any expenses incurred by GH on behalf of the Consignor pursuant to clause 4 above, together with any GST thereon and any other amount due hereunder. The Consignor acknowledges that, notwithstanding that GH is its agent, GH is entitled to and shall retain the buyer's premium.

10. GH shall, within 21 days after the auction, provide the Consignor and lien holder [s], if any, with a statement setting out the hammer price of the Goods and shall pay to the Consignor and/or to the lien holder [s], if applicable, the proceeds of sale provided that the Buyer of the goods has paid GH in full for the Goods. In the event that GH pays the Consignor an amount equal to the proceeds of sale prior to receiving payment in full from the Buyer, then title to the Goods shall pass to GH.

11. In the event that the Buyer fails to pay GH the purchase price of the Goods within 14 days after the auction, then GH will endeavor to obtain the Consignor's instructions as to the appropriate course of action to be taken and, so far as in GH's sole opinion such instructions are reasonable, will assist the Consignor, at the Consignor's cost, to recover the purchase price from the Buyer, save that GH shall not be obligated to issue judicial proceedings against the Buyer in its own name. Notwithstanding the foregoing, GH reserves the right and is hereby authorized at the Consignor's expense, and in each case at GH's absolute discretion, to agree to special terms for payment of the purchase price, to remove, store and insure the goods sold, to settle claims made by or against the Buyer on such terms as GH shall think fit, to take such steps as are necessary to collect monies from the Buyer and to set aside the sale and refund money to the Buyer.

12. GH shall insure the Goods in its possession against loss by fire, theft and vandalism based upon a value equivalent to the low pre-sale estimate of the Goods. Any additional insurance coverage is the sole responsibility of the Consignor. GH shall not be responsible for any damage sustained by the Goods as a result of perils not required to be insured against or any amount in excess of the low pre-sale estimate of the Goods.

13. Withdrawn or unsold Goods returned at the Consignor's request shall be returned at the Consignor's risk and expense and shall not be insured in transit unless GH is otherwise instructed to do so by the Consignor and at the Consignor's expense. GH shall also be entitled to charge the Consignor a reasonable fee for packing or crating the returned Goods. EU Registrants only **(Not applicable to US/Canadian Registrants)**

15. If any unsold Goods have not been collected by the Consignor within 180 days after the auction, then title to the Goods shall pass to GH. EU Registrants only **(Not applicable to US/Canadian Registrants)**

16. The Consignor hereby grants to GH exclusive right to illustrate and photograph the Goods at GH's expense and to use such photographs, illustrations or images therefrom, as well as any illustrations, photographs or images provided by the Consignor to GH, at any time and for such purposes as it sees fit, whether such purposes are related to the sale of the Goods or not. All rights to any photographs, illustrations or images taken by GH shall be retained by GH.

17. The Consignor warrants that the Consignor will not bid for themselves at the auction nor employ any person to bid on their Goods. The Consignor acknowledges that GH acts in good faith as a dual agent when, for example, accepting and executing absentee bids or facilitating telephone bids from potential Buyers.

18. Any indemnity or other protection against financial burden hereunder shall extend to all actions, proceedings, costs, claims and demands whatsoever incurred or suffered by the person for whose benefit the protection is given; and, any protection expressed to be for the benefit of GH, shall extend to its employees and agents.

19. This Agreement comprises the entirety of the contract between GH and the Consignor and GH shall not be held liable in respect of any representation not made in writing herein.
